

TRUDY PELLETIER FEA, CEPA, CEC

Licensed Facilitator and Trainer

Trudy Pelletier is the president of Trudy Pelletier Consulting Inc. She specializes in facilitating difficult conversations with a coach approach style. Trudy develops families, teams, and leaders to talk through the tough issues, restore relationships, rebuild trust, and grow communication effectiveness.

Trudy creates conversational environments such that each person is seen, heard and understood. She brings the difficult issues from the background into the foreground to resolve. She coaches leaders to address highly charged issues and recurring challenges.

Trudy guides and facilitates the succession and continuity planning process for private family enterprise and partners in business. She is a governance expert designing structures and agreements to mitigate risk, create alignment, and accountability.

Trudy's vision is a world where each person lives their potential realized. Her mission is to liberate and unify families in love and purpose.
